

# AROUSED

*Pamela A. Lamma*

Hazel eyes will sparkle  
as gentle kiss is placed.  
Tender are the touches;  
souls locked and embraced.

Lips melt to each other,  
breath quick in passion flair.  
flesh and bone entangled;  
urgency fills the air.

Arousal wound up tight  
like coiled loaded spring.  
release, exhale, and breathe;  
sweet afterglow shall sing.
