

BIG IDEAS (A DIALOGUE FOR TWO SCHOLARS)

Mark Rhoads

What was 3?

I think it was B.

You think it was B?

I thought it was C.

It wasn't D.

I agree.

*And A was "apathy;"
that seemed unlikely.*

But what about E?

Remote possibility;

I'm counting on B.

I hope it was C;

please let it be C.

*Now let's go cram
for tomorrow's exam.*
