

KAYLENE

Michael Fantina

Lovely girl, a gate is,
Staller of grim fate is,
Antidote to hate is
 Sensuous Kaylene.
Sweet alluring bait is,
Eager or sedate is,
Love the finest trait is
 Of lovely, lithe Kaylene.
Her shapely form ornate is,
Precious, lethal freight is,
Her beauty no debate is,
 Soft and smooth Kaylene.
This sorceress, her love innate is,
Her spirit consecrate is,
This is, yes, this is the lovely, sweet Kaylene.
