

NO SLEEP TONIGHT

Kevin Ian Dutton

No sleep tonight, just slumbered fears,
Of desolation, frozen tears,
A rest disrupted where I lay,
With thoughts and visions my mind sways,
Such dark, clouds velvet, masks intent,
Tormented keeper of dreams portent,
Vivid colours block my journey,
A curse, awakened in my yearning,
Gorging on my wakened moments,
Eating sleep, this swarm of locusts,
No sleep tonight, such pure awake,
My dreams, this lucid nightmare takes
