

# WONDERFUL PEOPLE

*Francine L. Trevens*

Wonderful people—helpful, kind  
Born with the Golden Rule in mind  
Unjudgmental, open, free  
Eager to do good and be.  
Why must evil come their way?  
Unfair we cry, but they,  
Optimists eternal, note:  
“Coulda been worse.” (Their quote.)  
Perhaps the reason bad things befall  
Is so they’ll set examples for us all.
